

# BIG WHEEL KIT

## 5,5" x 18" Fat Factory Forged Front Wheel Front Wheel

- The perfect solution when updating to a 180mm fat tire on the front of your 2020 or newer touring models
- Matches the factory rear wheel on all touring "special" models
- Gloss black powder coated forged aluminum rim (not cast) with gloss black anodized hubs and disc adapters
- Accepts factory rotors to save even more cost, (can be upgraded to jagged series for an additional cost)
- Does not work with factory fender. requires purchase of 8" wide front fender from Arlen Ness or other brands. also requires Ness fat fender fork boots or Ness for tube guards
- Fitment: 2008-up FLT
- Available in all black
- Accepts Arlen Ness rotor adapters with factory or after market rotors/disc options

PART#	FITMENT
919638	08-21 Touring

## Fat Tire Billet Fork Boots

- Smooth fork boots feature a sculpted CNC machined billet design with specially notched inside surfaces to allow the use of 18" x 5.5" fat front wheels on factory front ends
- When paired with Arlen Ness fat front fender designs, 18" x 5.5" fat front wheels can be installed without any fabrication. True direct bolt-on design
- Designed to work with Arlen Ness and other aftermarket fat front fender designs
- CNC machined from billet aluminum
- 14-up applications include a set of fork dust seals
- Sold in pairs
- Black anodize or chrome finish

PART#	FITMENT	COLOR	FINISH
919473	14-20 Touring	Black/Black	Anodized
919474	14-20 Touring	Chrome/Chrome	
919475	93-13 Touring	Black/Black	Anodized
919476	93-13 Touring	Chrome/Chrome	

## Night Dragon GT Tire

- Night Dragon GT Front/Rear Wheel 180/55 B 18 80H TL
- Up to 20% Longer lasting
- Advanced "Full Carbon Black" compound
- Stiffer carcass thanks to structure stiffening and high belt tension
- Same legendary performance, and 100% mixable with all Night Dragon front tyres
